

Calling all boys in Wales aged 9-14 years!

Who's your
favourite
author?

What's your
favourite
book?

Read a Million Words Together in Wales aims to encourage boys' literacy. As part of this Campaign we invite all schools in Wales to run a poll amongst boys aged 9-14 years to find their top 5 favourite authors (dead or alive!) and/or their top 5 favourite books. The top 5 books can be published in Welsh or in English, and can be fiction or non-fiction.

All you have to do is for one person from each participating school to post the results of your poll on the website: www.boysliteracywales.co.uk/boyspoll

You can register the results of your poll anytime from 1st December 2009 onwards. The closing date for nominations is 31st January 2010.

The results will be announced on World Book Day - 4 March 2010 - on the website and in the press in Wales.

All schools which participate in this poll will receive a parcel of Read a Million Words Together in Wales reward items.
